PIPEX 2014 Club Exhibit Prospectus

Club Exhibits are intended to showcase the stamp clubs in the Northwest Federation and the interests of their members, and encourage exhibiting among their members.

The Prospectus for competitive exhibits for PIPEX 2014 applies to club exhibits, with the following deviations:

1. A Club Exhibit is a single frame from a stamp club or society that is a member of the Northwest Federation of Stamp Clubs. Every member club or society of the Northwest Federation is eligible to enter one Club Exhibit. Up to ten frames are allocated for club Exhibits.
2. The title page of the exhibit should introduce the club or society, and may include its meeting place and time, its history, and its membership.
3. Each remaining page should be supplied by a different member of the club or society. If this is not feasible, a member may provide up to four pages – so the exhibit will be supplied by at least four members.
4. The exhibits are non-competitive. Since they will not be judged, there is no requirement to send a title page or synopsis.
5. There is no requirement that the pages in the exhibit match in font, paper, format, or subject, nor that an exhibit tell a unified story!
